SECTION 1. Tennessee Code Annotated, Section 38-6-106, is amended by deleting the section in its entirety and substituting instead the following:

(a) Any request for investigative records by the governor or supreme court chief justice shall be in writing and shall state specifically the reasons for such request. All such written requests shall be signed by the governor or supreme court chief justice and not the governor's or supreme court chief justice's agent or designee.

(b) The governor or supreme court chief justice is hereby authorized to request the Director of the Tennessee Bureau of Investigation to conduct a background investigation concerning any person who has asked or agreed to be considered by the governor or supreme court justice for appointment to a position of trust and responsibility, including, but not limited to, positions relating to homeland security. The chair of the nominating commission appointed pursuant to Section 38-6-101 is authorized to request a background investigation concerning any person who is under consideration by the nominating commission as a potential candidate for recommendation to the governor as a nominee for the position of Director of the Tennessee Bureau of Investigation. Such commission may contract with a private entity or the federal government to conduct such investigation. Upon the request of the governor or supreme court chief justice, the director shall conduct the investigation, which shall include fingerprint submissions of the potential appointee to both the Tennessee Bureau of Investigation and Federal Bureau of Investigation, and report the results to the governor or supreme court chief justice, either verbally or in writing, as the governor or supreme court chief justice may direct. The entity with which the nominating commission contracts shall report the results to the chair of the nominating commission, either verbally or in writing, as the chair of the nominating commission may direct. The potential appointee shall be required to pay the cost of the background check.
